# EXAMINATION RESULTS AND UNIVERSITY DESTINATIONS 2018

## Bromsgrove pupils achieve superb examination results

210 pupils in the Upper Sxth cohort achieved 56% A\*/A in all exams. Most significantly, 80% secured their first choice university place, with most off to the very best universities in the world. Just under 70% of them are destined for Russell Group universities.

At A level, just under 80% of the year group scored 144 UCAS points, equivalent to 3 As at A level. The School points (equivalent to 4A\* at A level); two pupils scored 44 points and both the Heads of School scored over 40 points.

The breadth of academic offer at Bromsgrove also includes BTECs in Sports Science and Business studies. Of the 48 BTEC entries this year, students achieved 30 Distinction\* and 14 Distinctions.

The GCSE results are amongst the very highest ever achieved by Bromsgrovians. 41.1% achieved an A\*/9, the highest proportio Five pupils gained a full sweep of straight 9s (A\* equivalent) with a further seven students only dropping one grade.

The Headmaster commented:

iven that they are set against a backdrop of uncertainty around the qualification reforms. To have set new School records under a tougher regime is testimony to the academic tradition of the School, the culture of aspiration amongst our pupils and the dedication of excellent teachers. They -Preparatory and Preparatory Schools. All can take credit

for these exceptional results.

Given the hug cademic achievements are doubly impressive. I commend all of them on their tenacity and commitment and know that they will build on their educational successes in the years to come. We wish all our leavers
